Would you be able to send someone from your team? You are already on schedule. This week would be better if possible.

Hi Blair,

I apologize for not getting back to you sooner, I've been off at a conference since last week. I might be able to make the meeting on Thursday, however, I do have 2 items at City Planning Commission that day near the end of the agenda and can't know right now how long they will go. Do you want to leave it open or would you prefer I come in November?

Best,  
Bryan

Bryan,

Per our conversation with you at the community hours, we went ahead and put you on the agenda for our next meeting (Thursday 10/27/16) at 2pm. Let's touch base in the days before to discuss. If that doesn't work for you to present this month - perhaps you can send another from your team?

Thanks, Bryan. Look forward to talking to you.
